ASSUMPTION OF RISK

Physical Activity, by its very nature, carries with certain inherent risks that cannot be eliminated regardless of the care taken to avoid injuries. SPIRE has facilities for and provides for activities such as weight lifting, walking, jogging and running, aerobic activities, basketball, volleyball, soccer and football. Some of these activities involve strenuous of strength using various muscle groups, some involve quick movements involving speed and change of direction, and other involve sustained physical activity, which places stress on the cardiovascular system.

The specific risk vary from one activity to another, but in each activity the risks range from 1) minor injuries such as scratches, bruises and sprains 2) major injuries such as loss of sight, joint or back injuries, concussions, and heart attacks 3) catastrophic injuries include paralysis or death.

I have read the previous paragraphs and I know the nature of the activities of SPIRE. I understand the demands of those activities relative to my physical condition and skill level, and I appreciate the types of injuries, which may occur as a result of activities made possible by SPIRE. I hereby assert that my participation is voluntary and that I knowingly assume all such risks.

Acknowledgement of Understanding; I have read this assumption of risk and fully understand its terms. I acknowledge that I am signing the agreement freely and voluntarily and intend my signature to signify complete assumption of all risk, both known and unknown, of participation in or observing recreational activities at SPIRE, to the greatest extent allowed by law in the State of Ohio.
